WARRANTY AND REMAKE POLICIES

WARRANTY POLICY

Authentic Dental Laboratory is proud to **warranty its products for life** against defects in materials and craftsmanship involving porcelain or substructure failure for crown and bridge restorations. This is available at a cost of \$22.00 per unit. Please contact one of our customer service representatives for more information about our **Life Time Warranty**.

The cost for fabricating dental appliances cannot be refunded. A credit may be issued by Authentic Dental Laboratory, directly to a customer's account when cases do not meet their standards or Authentic Dental Laboratory failed to execute the customer's original request or failed to meet specific instructions provided by the requesting dentist. The dentist agrees to inspect all items when received prior to installation and will promptly notify Authentic Dental Laboratory if any items are not satisfactory. Any express or implied warranties are expressly limited to replacement or repair of the item, which shall be the exclusive remedy, and Authentic Dental Laboratory will not be responsible for any consequential damages including, but not limited to, any costs or labor associated with the repair or replacement of items. A **seated** restoration is deemed to be satisfactory and accepted by the dentist.

Any case returned for credit **MUST** include:

- a. Original restoration(s)
- b. Original model(s)
- c. Original RX
- d. Original invoice
- e. Detailed explanation of why the credit/remake is being requested.
