

# Elevate Your Practice With Digital Dentistry

Are you tired of traditional impressions? Get ready to embrace the efficiency and precision of digital dentistry.

## You're Invited To Attend

### Getting It Right The First Time With Digital Workflows

Course includes 2 Hr. CE and drawing for a Shade Wand

#### Why Go Digital?

- **Increase Treatment Acceptance:** Impress your patients with modern, comfortable technology. Intraoral scanning is more comfortable for patients, leading to increased satisfaction and treatment acceptance rates.

- **Precision:** Say goodbye to inaccuracies and rework. Intraoral scanners capture precise digital impressions, ensuring better-fitting restorations.

- **Time Efficiency:** Streamline your workflow and reduce chair time. Digital impressions can be captured quickly, allowing you to focus more on patient care.

- **Cost Savings:** Minimize material costs and eliminate the need for storage space for impression materials. With digital scanning, you'll save money in the long run.

#### Event Highlights

- **Expert Insights:** Hear from industry experts on the benefits of digital dentistry and how it can revolutionize your practice.

- **Live Hands-On Session:** Witness the power and simplicity of intraoral scanning firsthand with live demonstrations.

- **Q&A Session:** Get your questions answered by experienced digital dentistry professionals.
